

REMARKS

The subject matter indicated by the Examiner as allowable has been incorporated into all independent claims.

The office action indicated that the drawings were objected to but did not list the specific objection. Formal drawings were filed on March 11, 2002. Applicant's attorney has reviewed those drawings and believes them to be in compliance with Office regulations. If those drawings have been separated from the file, Applicant's attorney will gladly submit a replacement set.

The application is believed to be in condition for allowance. If any other fees are due, those fees should be charged to Deposit Account No. 50-0581.

Respectfully submitted this 20th day of April, 2005.
